

What is your birthday month?

7

WHY, OH WHY, DO WE LOOK AT THE SKY

They had fun. It was the best party ever!

5

"When is the party?" they asked.
"The stars will tell us," Grandma said.

2

A long time ago, the twins Atsu and Kai were getting ready for a birthday party.

1

The stars helped tell them it was the month of their birthday!

6

One day, they saw the stars they were looking for!

3

It was time for the party. The twins helped Mom make star cakes.
