2-PS1-1 Matter and Its Interactions: Plan and conduct an investigation to describe and classify different kinds of materials by their observable properties.

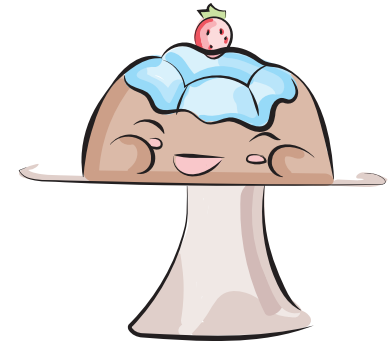

Dear Parent,

Reading to your child helps them learn language. When you read to a child, you are exposing them to new words and phrases. This helps them develop their vocabulary and learn how to use language correctly

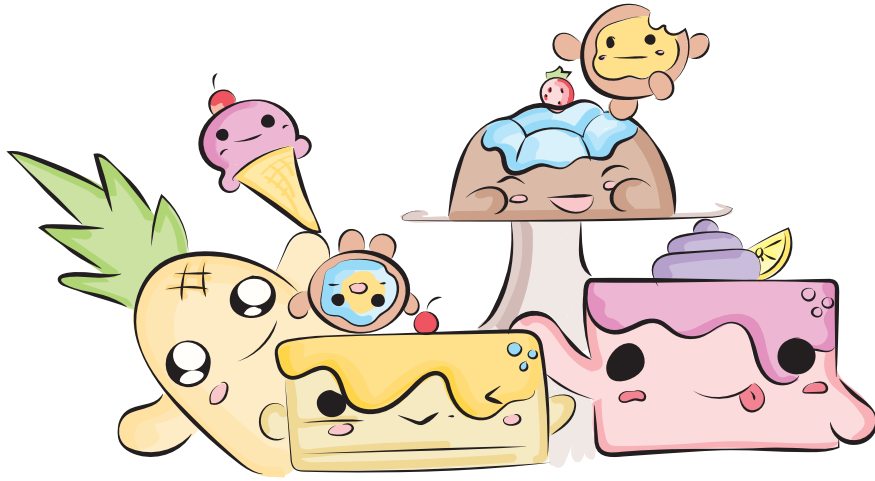

Aloha,

Beth and Jake

I Love STEM Tot[®]

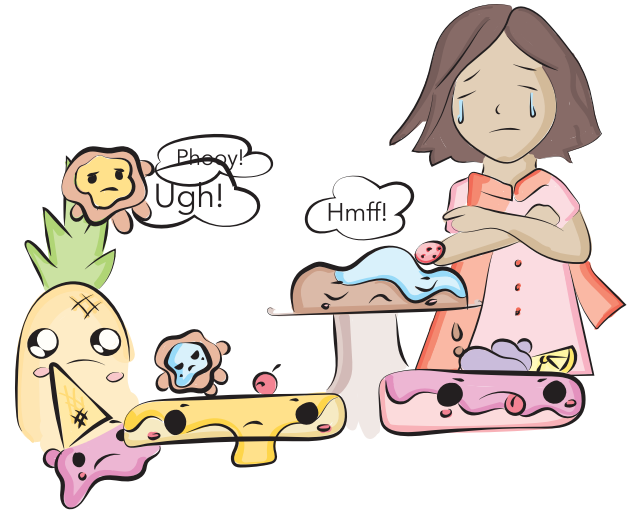

Nilofer tenía una nueva panadería. Esperaba vender muchas delicias diferentes.

Nilofer had a new bakery. She hoped to sell many different treats.

Nilofer estaba triste. Sus delicias horneadas no eran muy buenas. El glaseado se derritió y los pasteles quedaron planos.

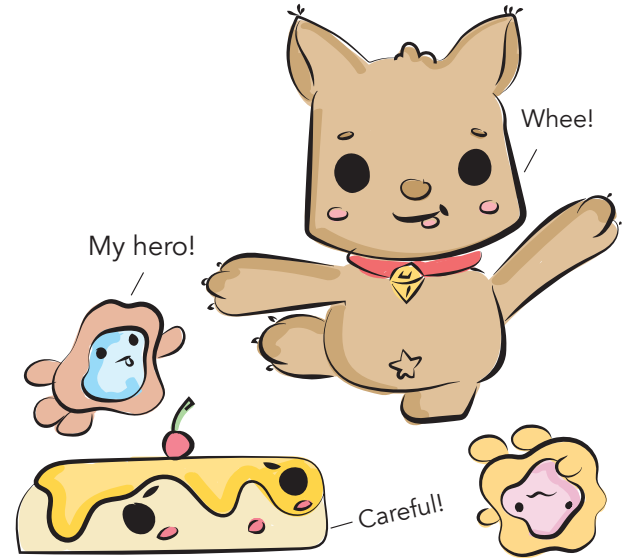

Nilofer was sad. Her baked treats were not very good. The frosting was melted and the cakes were flat.

Nilofer estaba trabajando duro tratando de hornear un pastel mejor. Tenía una ardilla como mascota llamada Kiki a la que le encantaba jugar.

Nilofer was hard at work trying to bake a better cake. She had a pet squirrel named Kiki who loved to play.

Kiki estaba jugando en la cocina. Ella saltó sobre el mostrador. ¡Oh, no!

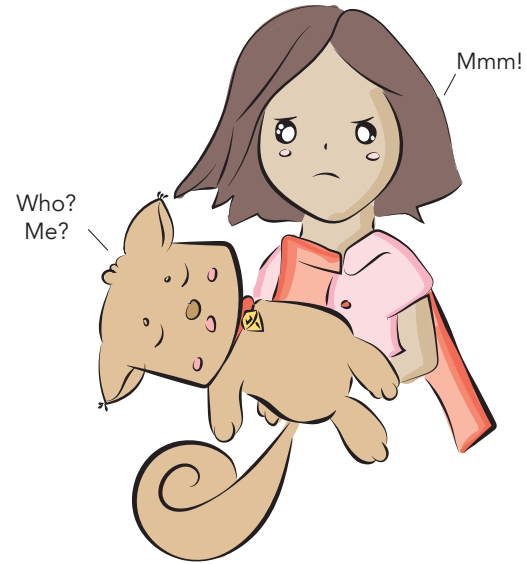

Kiki was playing in the kitchen. She jumped up on the counter. Oh no!

Kiki derribó el tazón de Nilofer. Cayó al suelo y se rompió.

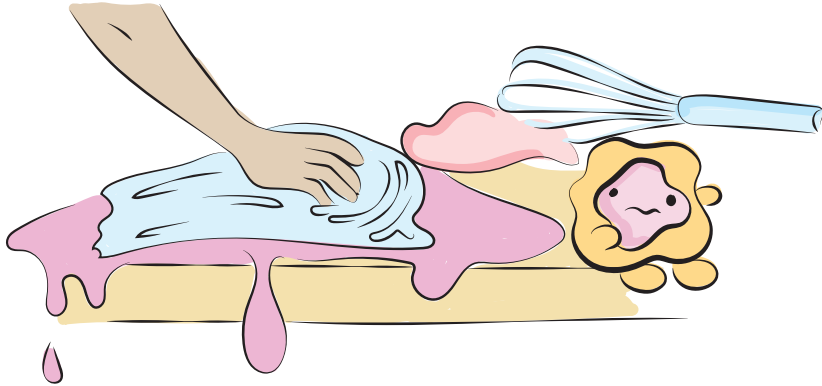

Kiki knocked over Nilofer's mixing bowl. It crashed to the ground and broke.

"Tú, ardilla tonta", dijo Nilofer. "Estás loco, pero todavía te amo".

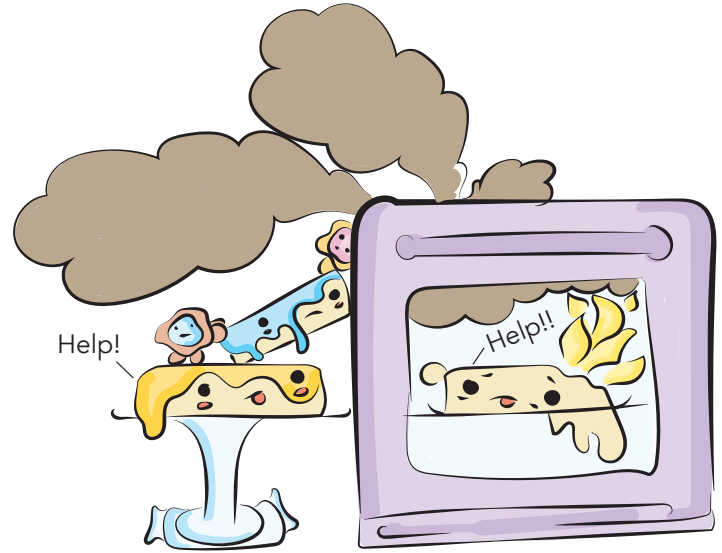

"You silly squirrel," said Nilofer. "You are crazy, but I still love you."

Nilofer usó una bolsa de plástico para limpiar la masa pegajosa. ¡Pero el desastre empeoró!

Nilofer used a plastic bag to wipe the sticky mess. But, the mess just got worse!

Entonces empezó a salir humo del horno. Nilofer no sabía qué hacer.

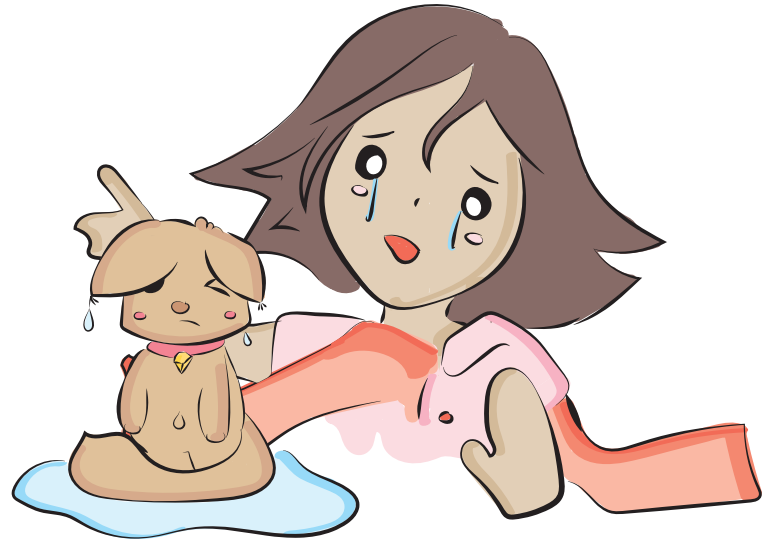

Then, smoke started coming out of the oven. Nilofer did not know what to do.

Unos minutos más tarde escuchó una sirena.
Dos bomberos entraron por su puerta y
rociaron agua por todas partes.

A few minutes later she heard a siren. Two firemen
came through her door and sprayed water everywhere.

No hubo fuego. Nilofer pidió a los bomberos que
cerraran la manguera. ¡Ahora todo estaba mojado!

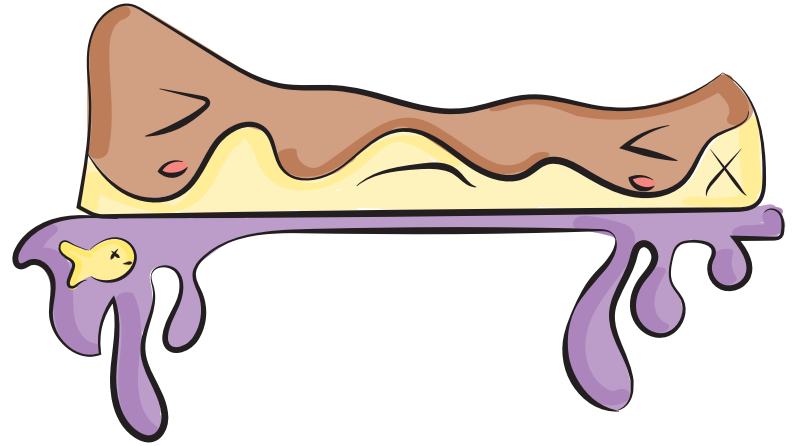

There was no fire. Nilofer asked the firefighters to turn
off their hose. Everything was now wet!

Mientras ayudaba a limpiar, un bombero notó que había usado un molde de plástico para hornear su pastel.

While helping clean up, one firefighter noticed that she had used a plastic pan to bake her cake.

La sartén se había derretido y quemado dentro del horno. Había creado un desastre horrible, goteante y lleno de humo.

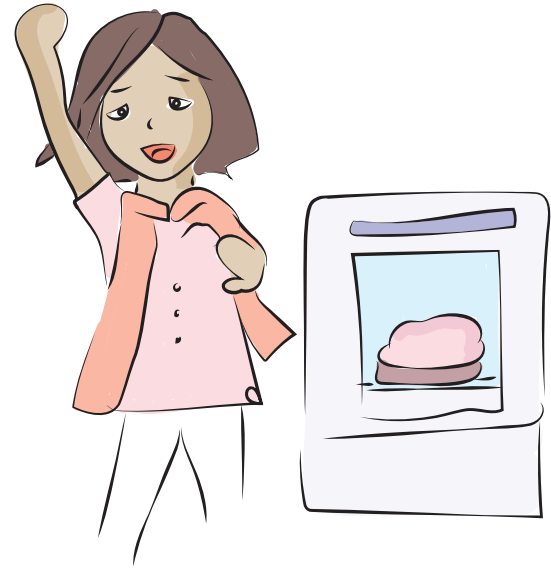

The pan had melted and burned inside the oven. It had made a horrible, drippy, smoky mess.

¿Cómo pudo Nilofer aprender a preparar las deliciosas delicias de sus sueños? Usando todo lo que había aprendido, intentaría hornear nuevamente.

How could Nilofer learn to make the yummy goodies of her dreams? Using all that she had learned, she would try baking again.

Ahora, Nilofer vende deliciosas delicias en su panadería junto a la playa.

Now, Nilofer sells yummy treats at her bakery by the beach.
