# Meet Dappy the Deer

This baby deer stays still in the grass to hide from danger.

# Meet the Lynx

A lynx is a wild cat. A lynx is a danger to a baby deer.

"Dappy, you must stay still to hide from danger," said mother deer.

Dappy did not stay still. Dappy liked to dance.

"Mom, do not worry," said Dappy. "It is okay. I can dance all day!"

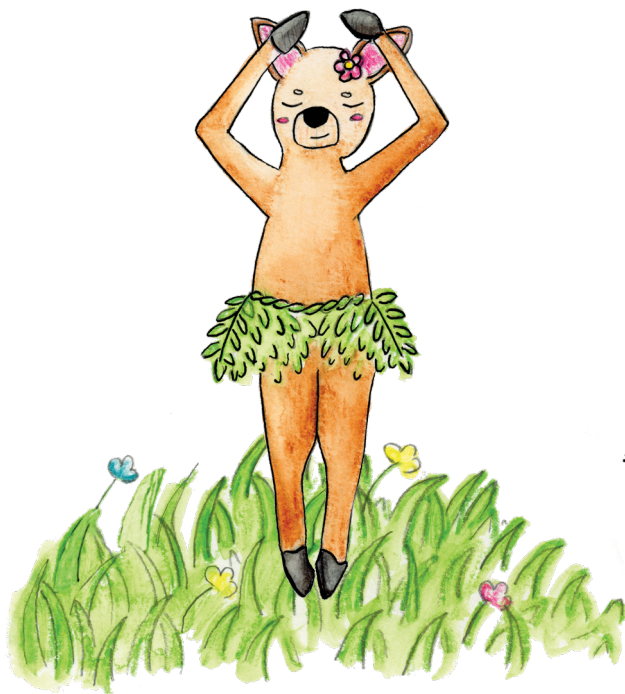

Mom was sad. What if Dappy is seen by a lynx? Mom has a plan. Brother will help!

Brother deer put on claws and fangs. He will act like a lynx and trick Dappy.

Mom asked Dappy to sit but Dappy did not sit still. She danced all day.

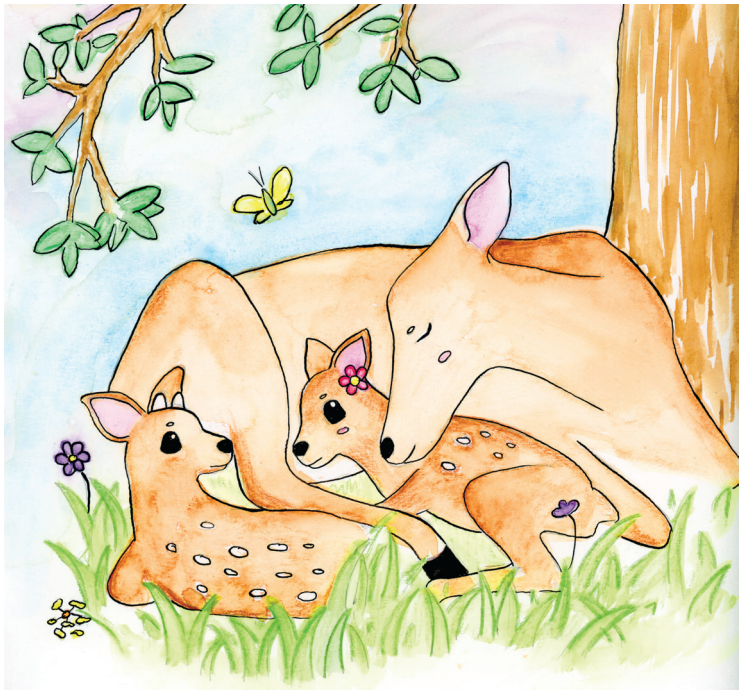

Then she stopped. What was that thing she saw?

Oh, how scary! It was time to stay still and hide.

Wait, that is not a lynx. It was Brother!  
Dappy was so glad.

"You did it, Dappy! You hid from danger!"  
said Mom. Mom was happy.

Dappy can still dance, but when danger is near she knows what to do!
