Dear Parent,

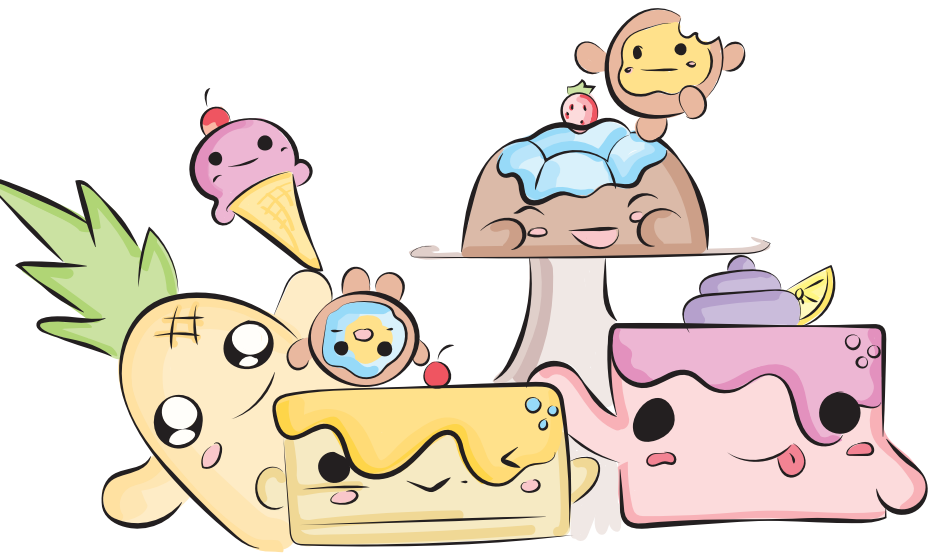

Reading to your child helps them learn language. When you read to a child, you are exposing them to new words and phrases. This helps them develop their vocabulary and learn how to use language correctly

Aloha,

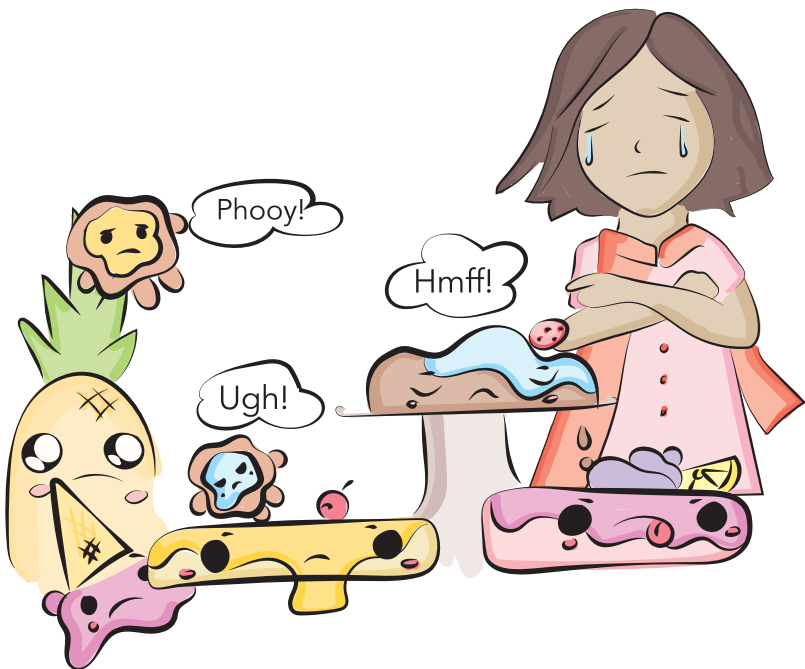

Beth and Jake

Nilofer had a new bakery. She hoped to sell many different treats.

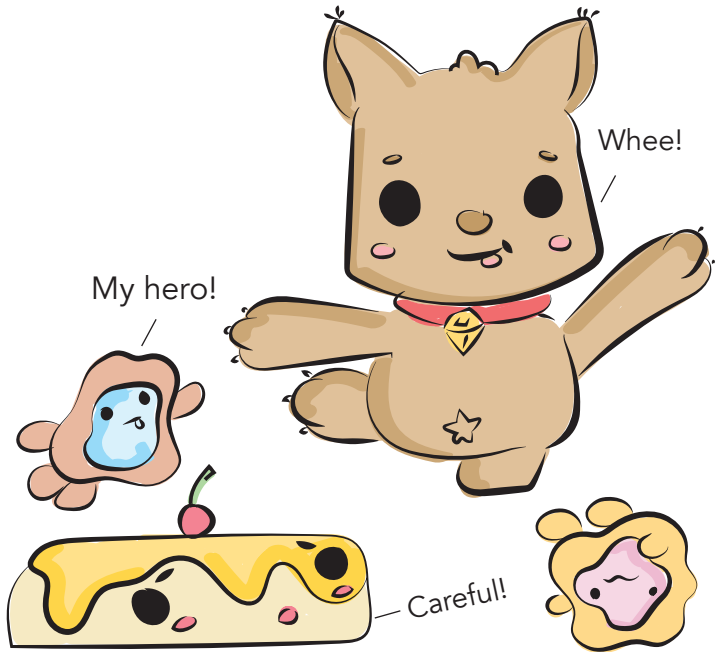

Nilofer was sad. Her baked treats were not very good. The frosting was melted and the cakes were flat.

Nilofer was hard at work trying to bake a better cake. She had a pet squirrel named Kiki who loved to play.

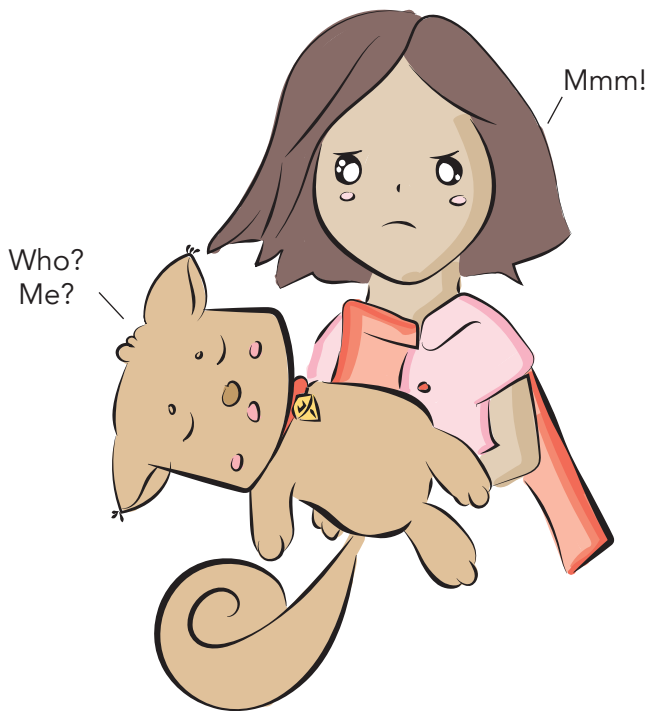

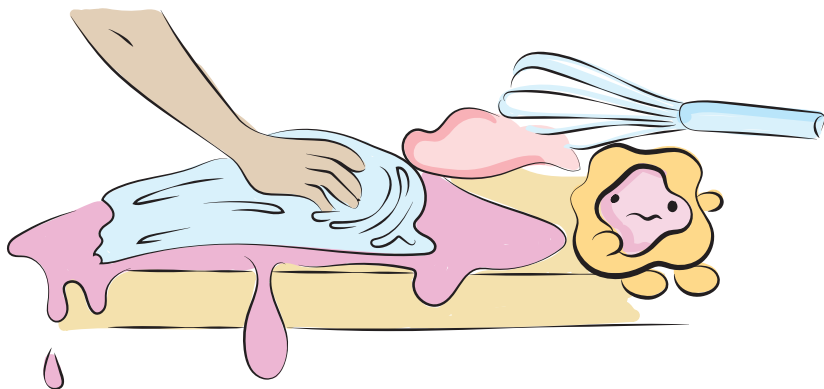

Kiki was playing in the kitchen. She jumped up on the counter. Oh no!

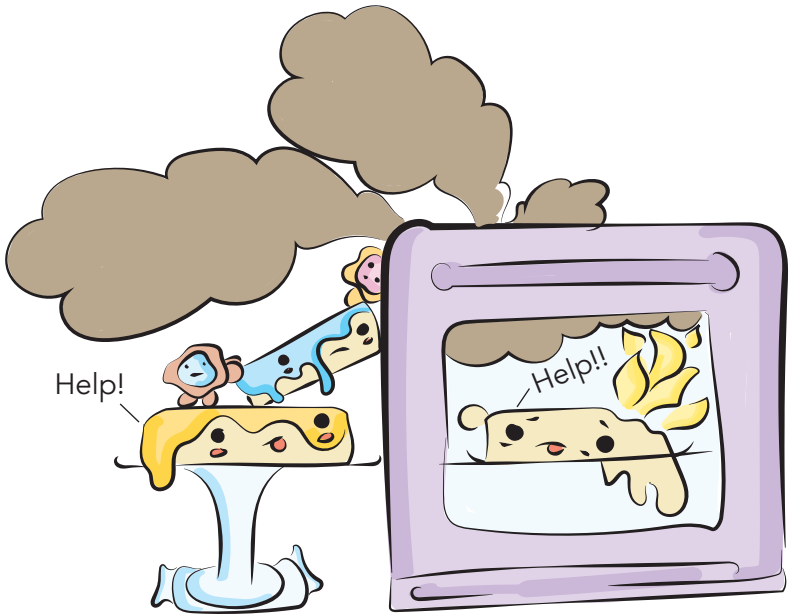

Kiki knocked over Nilofer's mixing bowl. It crashed to the ground and broke.

"You silly squirrel," said Nilofer. "You are crazy, but I still love you."

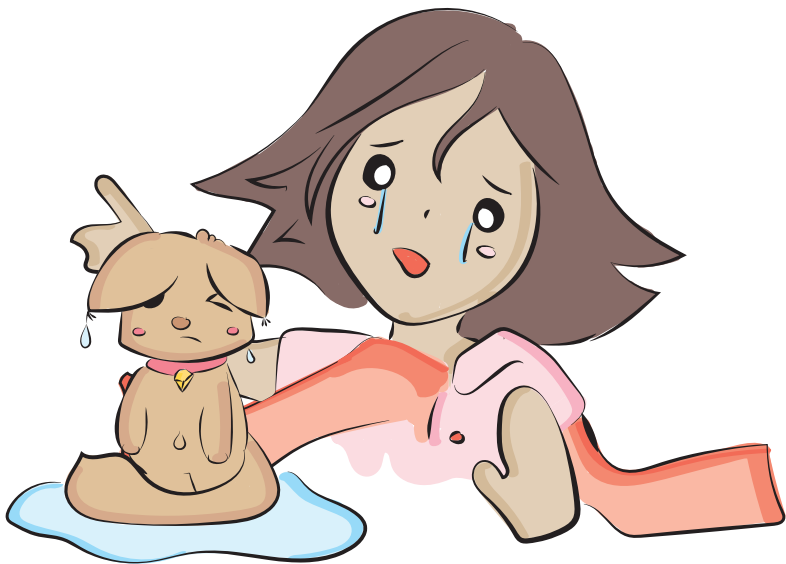

Nilofer used a plastic bag to wipe the sticky mess. But, the mess just got worse!

Then, smoke started coming out of the oven. Nilofer did not know what to do.

A few minutes later she heard a siren.  
Two firemen came through her door and  
sprayed water everywhere.

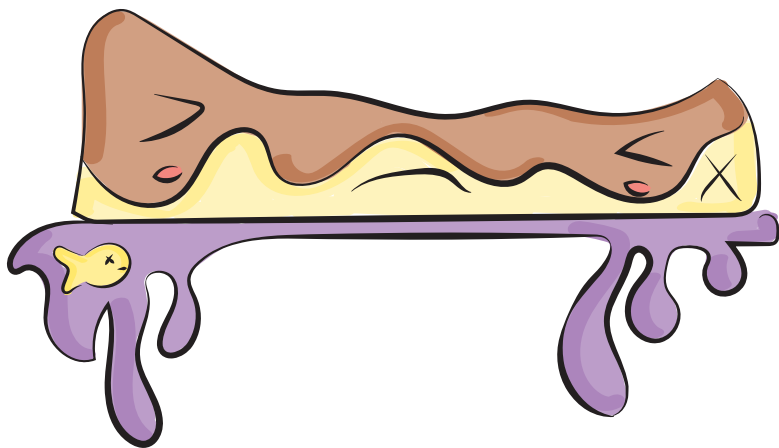

There was no fire. Nilofer asked the firefighters to turn off their hose. Everything was now wet!

While helping clean up, one firefighter noticed that she had used a plastic pan to bake her cake.

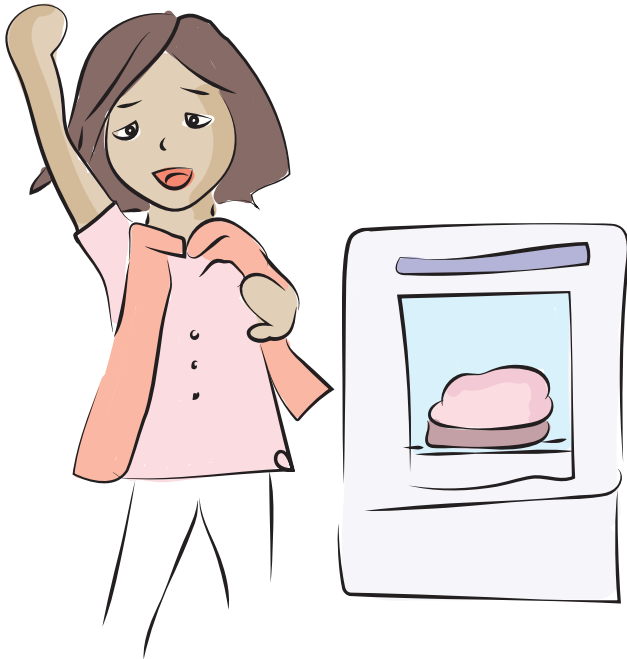

The pan had melted and burned inside the oven. It had made a horrible, drippy, smoky mess.

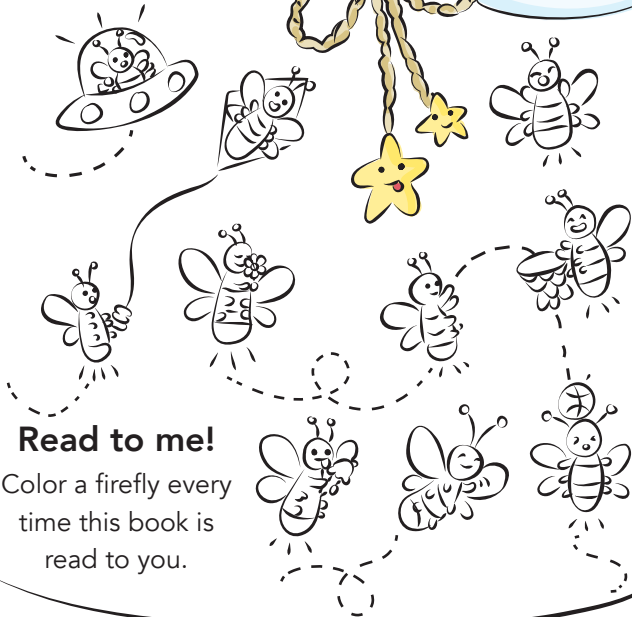

How could Nilofer learn to make the yummy goodies of her dreams? Using all that she had learned, she would try baking again.

Now, Nilofer sells yummy treats at her bakery by the beach.
