I ♡ STEM Tot®

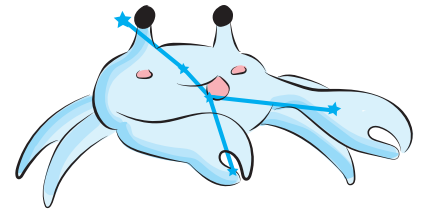

Dear Parent,

Once your child is beginning to read on their own, take turns reading from a book. Read one page to them and then ask your child to try reading a page to you. Keep the reading practice enjoyable by only practicing a little at first. They can try again tomorrow.

Aloha,

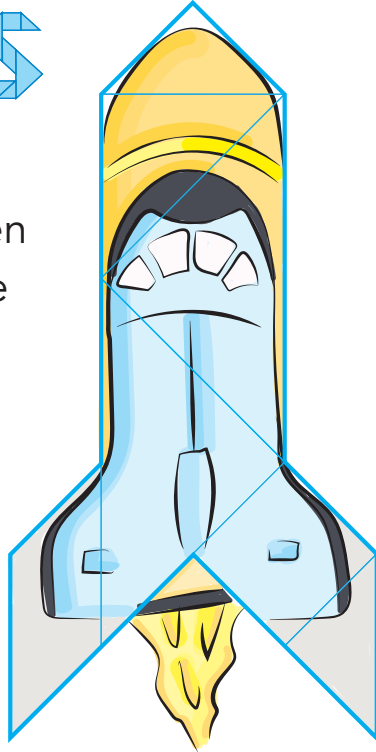

Beth and Jake

I ♡ STEM Tot®

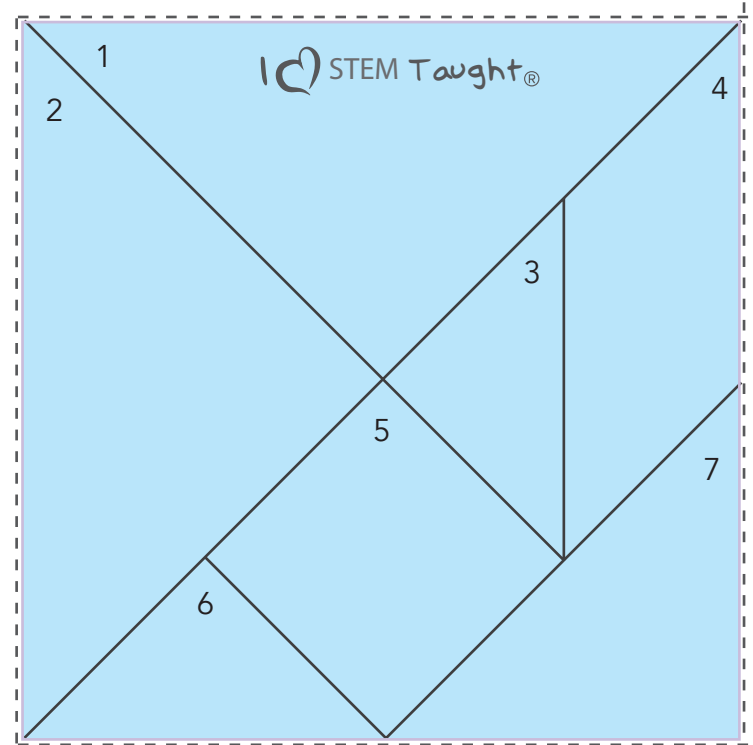

TANGRAM TILES

Tangrams use seven tiles. You can make the tiles into many things.

Cut out your tiles.

The Sun

The Sun is the closest star to Earth.

The Moon

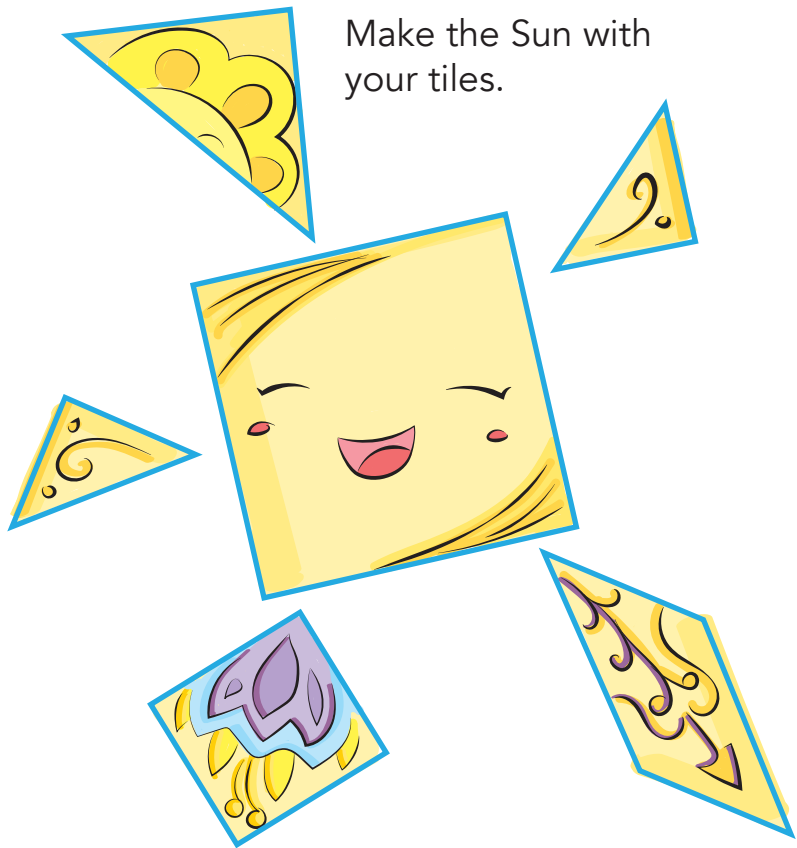

The Moon reflects the Sun's light.

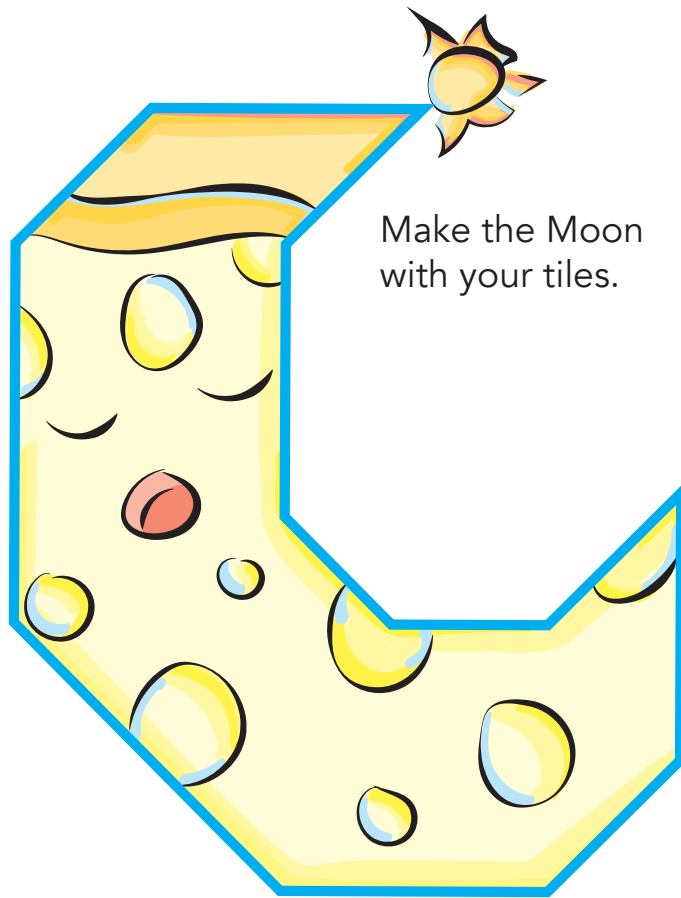

Stars

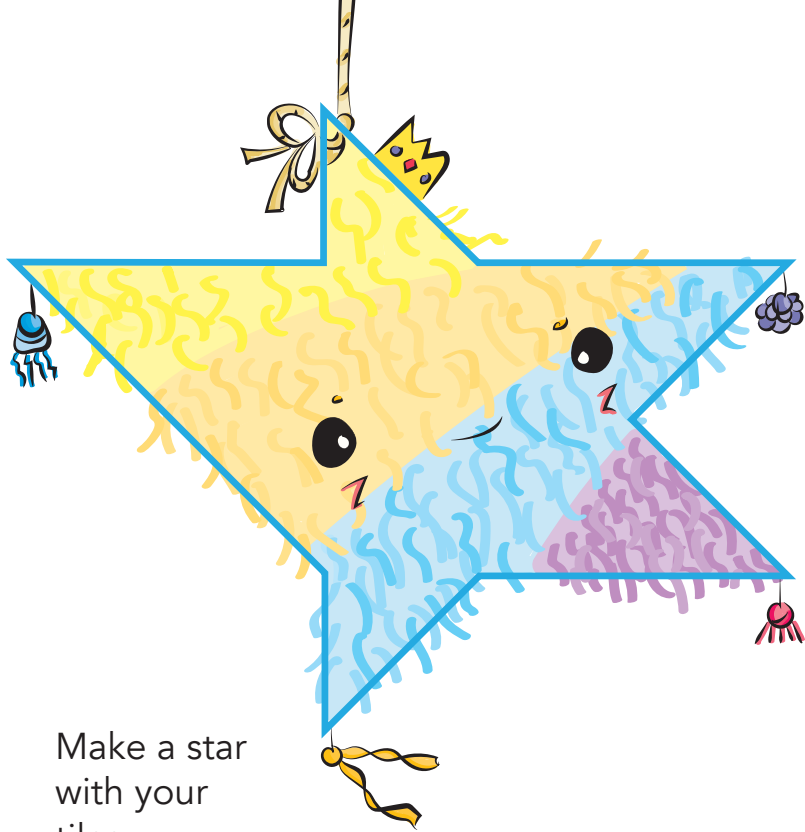

Stars look small because they are far away.

Make the Sun with
your tiles.

Make the Moon
with your tiles.

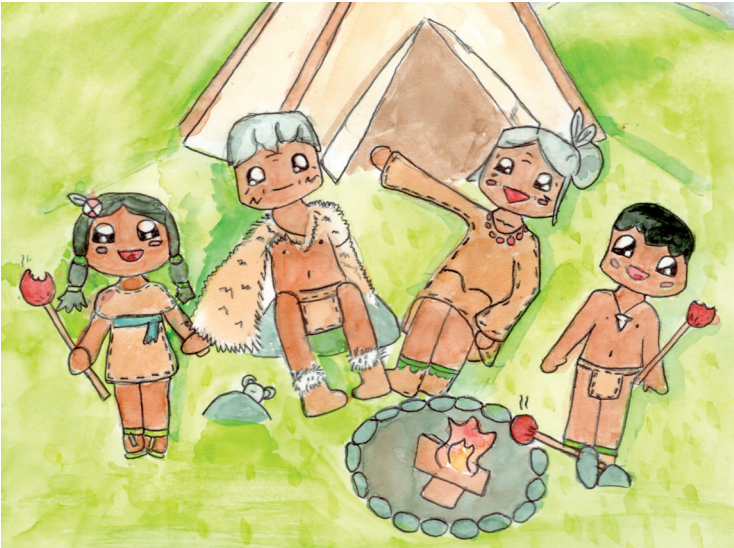

Make a star
with your
tiles.

Hace mucho tiempo, los gemelos Atsu y Kai se estaban preparando para una fiesta de cumpleaños.

A long time ago, twins Atsu and Kai were getting ready for a birthday party.

“¿Cuándo es la fiesta?” ellos preguntaron.
“Las estrellas nos lo dirán”, dijo la abuela.

“When is the party?” they asked.
“The stars will tell us,” Grandma said.

¡Un día vieron las estrellas que buscaban!

One day, they saw the stars that they were looking for!

Ya era hora de la fiesta. Los gemelos ayudaron a mamá a hacer pasteles de estrellas.

It was time for the party. The twins helped Mom make star cakes.

Se divertieron. ¡Fue la mejor fiesta de todas!

They had fun. It was the best party ever!

¡Las estrellas ayudaron a decirles que era el mes de su cumpleaños!

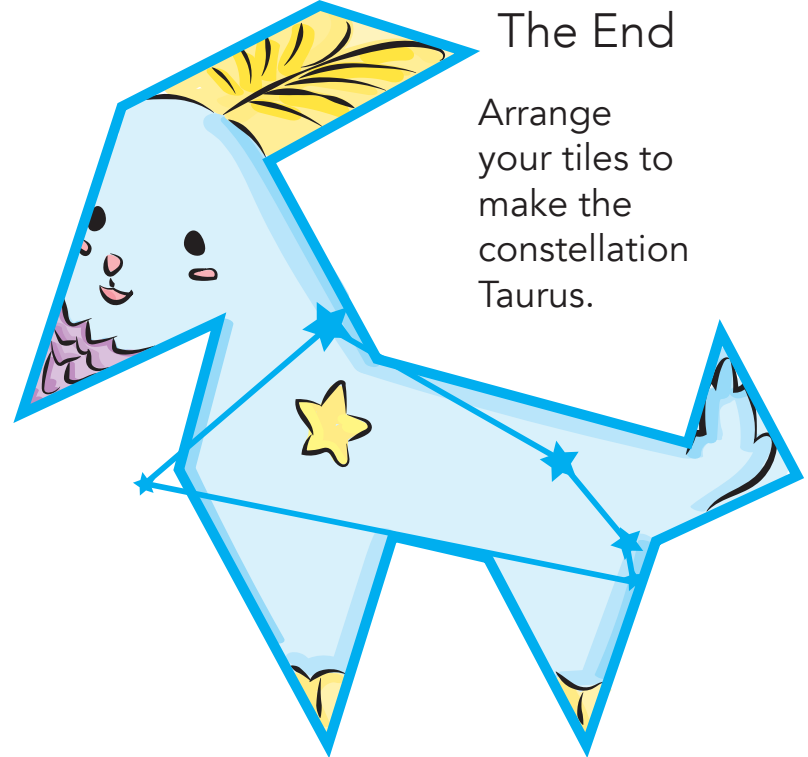

The stars helped tell them that it was their birthday month!

El fin

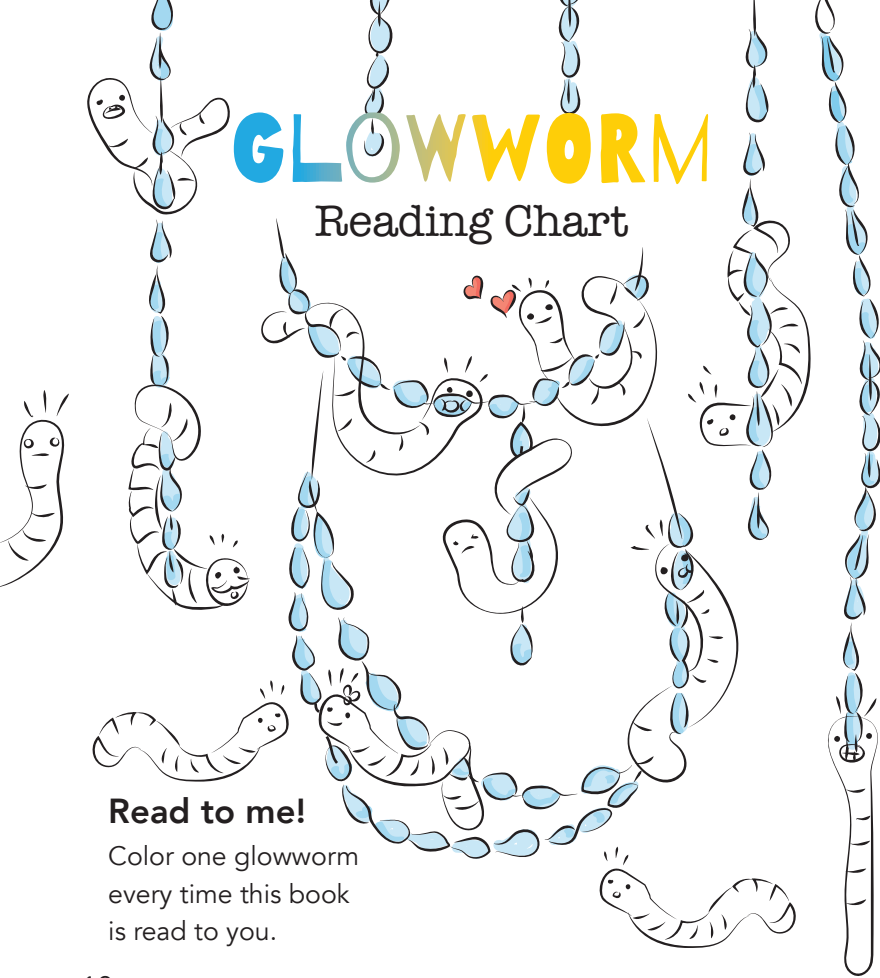

The End

Arrange your tiles to make the constellation Taurus.

GLOWWORM

Reading Chart

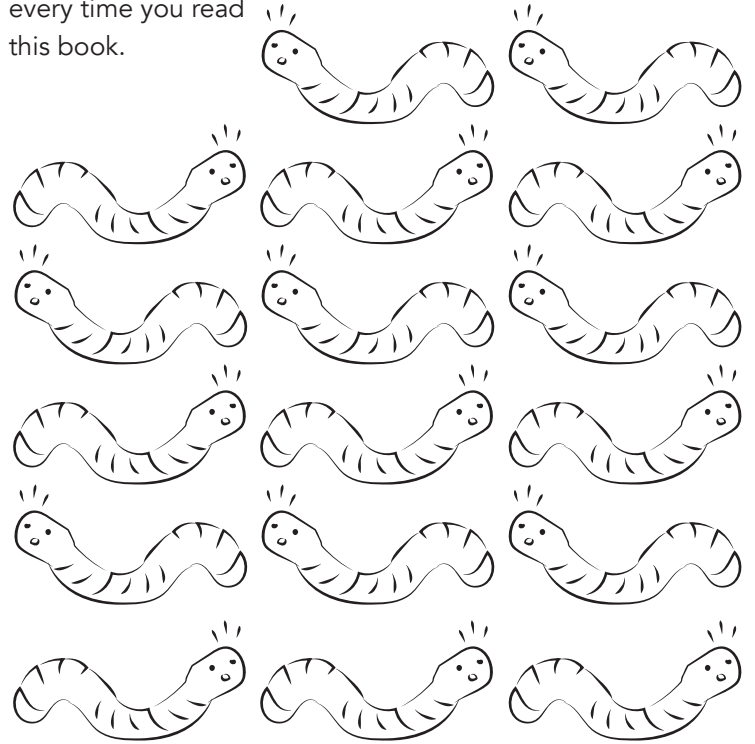

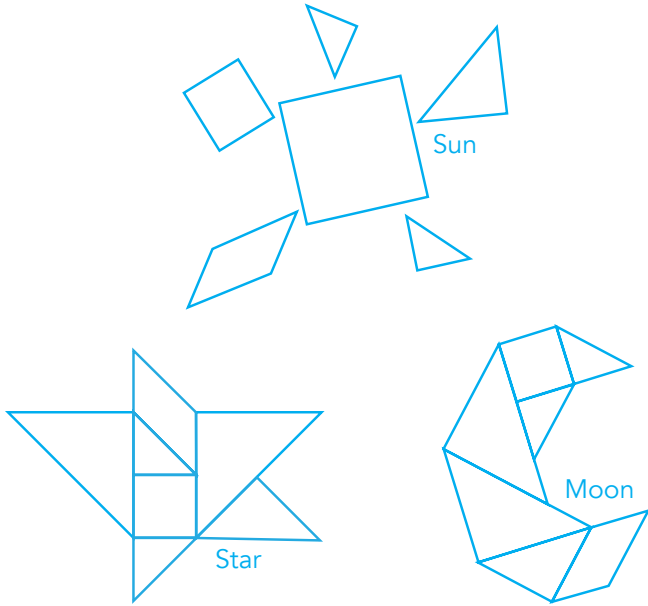

Read to me!

Color one glowworm every time this book is read to you.

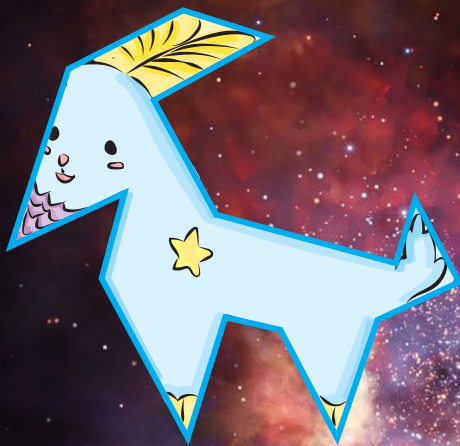

I can read!

Color one glowworm every time you read this book.
