1 Nilofer was sad. She had baked treats that were not so good. The frosting on her treats was melted and the cakes were flat.

6 She had used a plastic pan to bake her cake. The plastic pan had melted inside the oven. It made a horrible, drippy, smoky mess.

3 Kiki knocked over Nilofer's mixing bowl. It crashed to the ground and broke.

4 Then, smoke started coming out of her oven. Nilofer did not know what to do.
