TOBY TEE'S SUPER DUPER SLIP 'N SLIDE SHOES

Toby searched for slippery stuff all around his house to use for his new slip 'n slide shoes.

5

Toby Tee is full of good ideas and he likes to have fun! He is ready to try his best idea yet.

2

Scooters? Skateboards? Wahoo! Toby Tee wants to slide all around with slip 'n slide shoes!

1

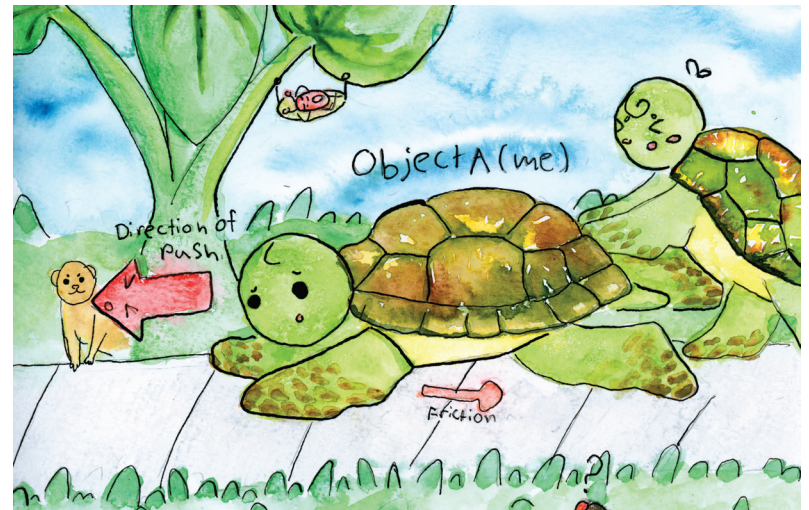

Toby tested the slipperiness of wood, cardboard, foil, plastic, and banana peels. Do you know which material is most slippery?

6

When he tried to slide, he didn't go far. He fell. "I need better shoes to help me slide!" he said.

3

At home, Toby began to experiment to see what things were slippery.
