Rosa ran in the park. She saw her shadow run with her.

Rosa gave her shadow a name. She named it Joey.

Later in the day, Rosa saw her shadow get longer.

"How did you do that?" Rosa asked.

"The Sun makes me grow!" said her shadow.

Joey and Rosa went to see colors made by the Sun shining in colored windows.

Rosa had fun with her new friend Joey. She was glad that they met.

Can you find your shadow? What will you name it?
